To whom it may concern,

This letter confirms that **Nelly Aguilera** has been an active member of our Duolingo Global Ambassador community since August, 2022. We are thankful for her contributions as a Duolingo Classes Host, where she has been organizing language learning activities attended by our global community of learners. In 2022, she hosted **47 classes** with **336 attendees**.

Duolingo Classes were relaxed spaces for learners to practice a language together, make mistakes, and have fun in a Zoom call. They were where fluent hosts, like the one mentioned in this letter, found community and connection by encouraging learners to practice speaking with expert guidance.

Please, note that Duolingo Classes will be discontinued by Duolingo on January 18, 2023.

Feel free to contact our team if you have any questions.

Best,

Duolingo Classes Team
