Re: Nelly Aguilera

*To whom it may concern,
As the Centre enters a corporate change with an uncertain future, I am writing this letter to certify the work and recommend Ms. Nelly Aguilera.*

Ms. Aguilera has taught Spanish language programs at our institution since July 2019.

Nelly is an outstanding Spanish language instructor who brings charisma, professionalism, enthusiasm, and multilingual proficiency, which has been a significant asset to our institution.

*Sincerely yours
Javier Aizersztein, Director*
